School Orchard kit

8 mixed fruit trees suitable for Scotland.

School orchards are a great way to introduce children to growing their own food. Low maintenance, easy and fun to plant, and fitting with Curriculum for Excellence, and Ecoschools our orchard packs, includes planting and growing advice.

School Orchard kit:
8 fruit trees -
4 apples, 2
pears, and 2
plums only
£119, inc
post and
package

Trees delivered from Nov - March as bare root trees. We recommend that you plant in open, sunny sites, and prepare the ground before your trees arrive. To order your orchard kit, send a cheque payable to "The Children's Orchard," and send to

The Children's Orchard
